## Internet Websites:

### *American Diplomacy – <http://americandiplomacy.org/>*

American Diplomacy is published on the World Wide Web by American Diplomacy Publishers, a nonprofit corporation chartered in the State of North Carolina. This site includes articles and links to other resources.

### *Center for Civic Education – <http://www.civiced.org/>*

A nonprofit, nonpartisan educational corporation dedicated to fostering the development of informed, responsible participation in civic life by citizens committed to values and principles fundamental to American constitutional democracy.

### *Center for Democracy and Citizenship — [www.hhh.umn.edu/centers/cdc](http://www.hhh.umn.edu/centers/cdc)*

Begun at the Humphrey Institute for the development of practical theory about “what works” to engage citizens in public life, to unleash and cultivate people’s public talents, and to renew the public cultures and democratic purposes of service institutions.

### *CIVICUS: World Alliance for Citizen Participation — <http://www.civicus.org/>*

An international alliance of more than 230 members, both organizations and individuals, from 60 countries.

### *Council on Foreign Relations – <http://www.foreignrelations.org/public/>*

Council on Foreign Relations is a nonpartisan membership organization, research center, and publisher. It is dedicated to increasing America’s understanding of the world and contributing ideas to U.S. foreign policy.

### *Department of State International Information Program – <http://usinfo.state.gov/>*

Formerly known as the United States Information Agency. It is the principal international strategic communications service for the foreign affairs community. IIP designs, develops, and implements a variety of information initiatives and strategic communications programs, including Internet and print publications, traveling and electronically transmitted speaker programs, and information resource services.
